

DYNAMO GIRLS F.C.

Your local girls football club

We are delighted to announce a special club trip to Wembley to watch England U21's in action in the European Championship Qualifier. We have a limited number of tickets available and these will be offered to club members and one parent as a priority. Any spare tickets will be offered to players' family members. The price includes return coach travel from Telscombe Cliffs Playing Fields and your ticket to the game. As this will be a popular event, we urge you to return your application ASAP to avoid disappointment. Naturally there will be no training on that day.
