The Club Newsletter For Dynamo Girls Football Club

It's a Knockout!

Come and join us for a fun filled summer afternoon up at Telscombe Playing Fields this **Saturday 28th June** to celebrate the end of the season.

We are going to be trying out different sports and fun team challenges including:

- Rounders
- Cricket
- Football
- Paul's Wonderful Wacky Races!

All players, parents and friends of the club are invited and the fun will start at 4pm. There will be prizes to win and you can register for the new season at a discounted price.

There will be a barbeque for you to cook your own food, or alternatively why not bring a picnic?! Cold drinks will be available but if you feel like bringing something a little bit stronger – be our guest!

Registrations for the new season

We are delighted to announce that despite the recent price increases of nearly everything else, the Club's membership fees and annual subscriptions will remain the same as the 2007/8 season.

In addition, we are giving you the opportunity to save money by renewing your daughter's membership during the Fun Day and paying a specially reduced £10 membership fee. This represents a discount of £20 for youth players and £10 for junior players.

All the relevant paperwork will be available for you and your daughter to complete on the day. Please note that if your daughter has not played in the league before, you will need to bring along a copy of her birth certificate. This applies mainly to those players who will be moving from the Under 10's to the Under 11's for the new season. If you are not sure what age group your daughter will be playing in next season, please contact us.

Just bring the specially discounted membership fee of £10 + + + along with either a cheque for the full annual subscription (post-dated to 31st July if you prefer), a cheque for the first instalment of the annual subscription if you wish to take up the twice yearly option or your bank details to complete a standing order mandate which will be set up to start on 1st September 2008.

Diary Dates

Besides a busy schedule of community events over the coming weeks, pre-season training for the U14's and U15's will start in early August with the U11's and U12's starting a couple of weeks later and the U10's starting in early September.

Keep up with everything that is going on by visiting our regularly updated website www.dynamo-gfc.co.uk
